

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

NO way on fewer owners.
As it stands our media is "censored as it is"

The "truth" about most stories come from Britain or others countries media outlets.

This is supposed to be America, home of the FREE and is becoming less and less so with the BUSH adMINIstration.
