Dear Ms. Dortch:

On December 18, 2002, on behalf of ICO Global Communications Holdings (Limited) (“ICO”), Suzanne Hutchings and ICO Counsel Cheryl Tritt met with Sam Feder, Legal Advisor to Commissioner Kevin Martin. ICO noted that Commission precedent supports satellite infrastructure sharing arrangements, particularly where they promote spectrum efficiency and rapid delivery of services to the public. ICO also emphasized the need for certainty and adequate spectrum resources to enable global MSS systems to proceed with financing and roll-out of their business plans. ICO otherwise relied on the attached talking points in making its presentation.

In accordance with section 1.1206(b) of the Commission’s rules, I am submitting an electronic copy of this letter. If you have any questions concerning this matter, please do not hesitate to contact me.

Very truly yours,

/s/ Suzanne Hutchings
