UNE Triennial Review – CC Docket No. 01-338  
Local Competition Proceeding – CC Docket No. 96-98  
Deployment of Advanced Wireline Services – CC Docket No. 98-147**

Dear Ms. Dortch:

SBC has discovered a minor error in the narrative portion of Attachment 3 to the *ex parte* letter submitted to the Chairman Michael Powell on January 14, 2003. The first line of the last paragraph of page 2 of Attachment 3 should be changed from:

“SBC determined that 56% of its wire centers with 10,000 lines or less are in the Zone 3 (highest) deaveraged UNE loop pricing zone....”

to:

“SBC determined that 56% of its wire centers with between 5,000 and 10,000 lines are in the Zone 3 (highest) deaveraged UNE loop pricing zone....”

This change in no way affects SBC’s calculations or conclusions set forth in the *ex parte*.

Please include this notice in the record in the above referenced proceeding.

I apologize for any inconvenience this may have caused. Should you have any questions, please do not hesitate to contact me.

Sincerely,
