Re: Improving Public Safety Communications in the 800 MHz Band
WT Docket No. 02-55

Dear Ms. Dortch:

On January 23, 2003, Laura Smith and Jeremy Denton of the Industrial Telecommunications Association, Inc. (ITA) met with Jennifer Manner, Legal Advisor to Commissioner Kathleen Abernathy, to discuss the above-referenced *NPRM* seeking comments on improving a public safety-CMRS interference problem in the 800 MHz band.

At the meeting, ITA reiterated its position on file in the docket as a party to the Consensus Plan. ITA further outlined those who have supported the plan and those who have opposed the plan, as seen in the record.

If there is anything I may do to further assist the Commission, please do not hesitate to contact me.

Sincerely,

/s/ Jeremy Denton
