RE: In the Matter of Review of the Section 251 Unbundling
Obligations of Incumbent Local Exchange Carriers, CC Docket
Nos. 01-338, 96-98 and 98-147

Dear Ms. Dortch,

Yesterday, I met with Simon Wilkie and Donald Stockdale, Jr., both of the FCC Office of Plans and Policy, to discuss an analysis addressing the impairment issues that is central to the Commission's Triennial Review of the UNEs that I submitted to the Chairman and Commissioners and filed with the Commission on January 21, 2003.

One electronic copy of this Notice is being submitted for each of the referenced proceedings in accordance with the Commission's rules.

Sincerely,

cc: Simon Wilkie
Donald Stockdale
