

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

The airwaves belong to the citizens of this nation. The FCC was formed to protect this valuable resource, so please do your job. The Constitution was not written to protect opportunities for corporate conglomerates. Keep our media open and accessible, to great thinkers of all political/social/economic persuasions. Our culture will benefit tremendously from it.  
Thank you.
