

TO WHOM IT MAY CONCERN: The Indiana no call list is the one thing the private citizen should demand. Since this went into effect I do not receive the 10 to 12 nuisance calls nightly. I feel this is a right we should have, not to have our phones ringing off the hook every night. Have you ever tried to get rid of these people, it's impossible. Since I have listed my numbers I can safely answer my phone instead of letting it go to the recorder. Please consider our RIGHTS of privacy..Thank you. G.J. Mann
