Notice of *Ex Parte* Presentation**

Dear Ms. Dortch:

Submitted herewith pursuant to Section 1.1206(b)(2) of the Commission's rules is a notice regarding a permitted oral *ex parte* presentation in the above-captioned proceedings. On March 5, 2003, Paula Boyd and Pierre De Vries of Microsoft Corp. and Scott Blake Harris of Harris Wiltshire & Grannis, LLP, met with Jane Mago and Maureen McLaughlin of the Office of Strategic Planning and Policy Analysis. The parties discussed the importance of preserving consumers' ability to connect to and use the broadband network across all platforms absent interference by network operators, as expressed in earlier filings in the above-captioned dockets by the Coalition of Broadband Users and Innovators. In addition, the parties spoke about the future of Wi-Fi.

Kindly address any questions to the undersigned.

Sincerely,

Gerard J. Waldron  
*Counsel to Microsoft*
