Re: Ex Parte Communication—CG Docket No. 02-386

Dear Ms. Dortch:

On March 18, 2003, Kelly Anderson and Martha Jenkins of Intrado Inc., (“Intrado”) met with Margaret Egler of the Consumer and Governmental Affairs Bureau to discuss issues raised in reply comments filed in the above-referenced docket. Intrado explained issues regarding the obligations of local exchange carriers to provide billing name and address service to interexchange carriers. Intrado again encouraged the Commission to look to the Alliance for Telecommunications Industry Solutions as a source for implementing its database proposal. This centralized line level database would serve to further the exchange of accurate and timely customer account information among IXCs, LECs and CLECs.

Very truly yours,

/s/ Martha Jenkins
