Re: GN Docket No. 00-185 and CS Docket No. 02-52

Inquiry Concerning High-speed Access to the Internet Over Cable and Other Facilities
and Appropriate Regulatory Treatment for Broadband Access to the Internet Over Cable

Dear Ms. Donch:

On March 25, 2003, John Scheibel of Yahoo! and I met with Jordan Goldstein of
Commissioner Copps' office to discuss the above-captioned proceeding. We discussed possible
means to ensure that consumers have non-discriminatory access to Internet content free from
externally imposed technological or economic impediments. We discussed potential problems
relating to such discrimination, potential solutions, and the legal basis on which the Commission
could implement such solutions.

Sincerely,

Riley K. Temple
