*Re Application by SBC Communications Inc., et al. For Provision of In-Region InterLATA Services in Michigan, WC Docket No. 03-16*

Dear Ms. Dortch:

I would like to inform you that I had a telephone conversation with Susan Pie in follow up to talking with Commissioner Adelstein's office. In particular, we discussed how Michigan consumers and business will benefit from a fully open and competitive telecommunications market when Michigan Bell is allowed to compete for interLATA long distance services.

In accordance with this Commission's Public Notice, DA 03-156 (Jan. 16, 2003), I am filing this letter electronically through the Commission's Electronic Filing System. Thank you for your assistance in this matter.

Sincerely,

Wendy Coles
