Cross Plains, Texas is an incorporated community with a population of 1,068.² Cross Plains has its own mayor, Ray Curvis, its own Fire Department, post office, city offices And a number of local churches. The Petitioner respectfully submits that the public interest would be served by allocating Channel 294A to Cross Plains as that community's first local FM service. The proposed Channel 294A will provide additional diversity and an outlet for local self-expression to Cross Plains residents and therefore is in the public interest.

Attached hereto is a channel study confirming that Channel 294A can be allocated to Melvin, Texas, consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992). Note: Motion to Dismiss Petition for Channel 294A at Early, Texas was filed on April 15, 2003. (See, Attachment A)

Should this counterproposal be granted, and Channel 294A be allotted to Melvin, Texas and Channel 294A be allotted to Cross Plains, Texas, Petitioner will apply for Channel 294A at Melvin and Channel 294A at Cross Plains and after they are authorized, will promptly construct the new facilities.

The factual information provided in this Counterproposal is correct and true to the best of my knowledge.
