Hon. Michael Powell
Chairman
Federal Communications Commission
445 12th Street S.W.
Washington, D.C. 20554

Dear Chairman Powell:

RE: Broadcast Ownership Omnibus Proceeding
MB Docket 02-277

This will supplement my May 9, 2003 letter to you, which concerned the methods by which the Commission might preserve, for another day, the proposals of the Diversity and Competition Supporters "in the event it is unable to rule on each of them in its forthcoming Report and Order."

While we realize that the Commission might not rule on each of our proposals at this juncture, we feel strongly that it ought to do so. Our proposals each fall within the scope of §50 of the NPRM, and the consequences of this proceeding could render some of our proposals moot. Further, we believe the APA obliges the Commission to consider our proposals at the same time as it considers other parties' proposals. Nonetheless, while we are unprepared to waive objection if the Commission delays ruling on our proposals, we will be fair and evaluate any such delay in light of the totality of the circumstances.

Sincerely,

David Honig
Executive Director
