PETITIONER'S COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 237C3 to Sonora, Texas, as that community's first competition FM service. Sonora is an incorporated city with a population in excess of 2,980 people. The proposed channel 237C3 to Sonora will provide additional diversity and an outlet for local self-expression to Sonora residents and therefore is in the public interest.

Should this petition be granted, and Channel 237C3 be allotted to George West, Texas Petitioner will apply for Channel 237C3, and after it is authorized, will promptly construct the new facility.
