I like this job, it's been good to me. I
have been here 3 years. I have good benefits.
I provide a service to people. I feel we have
very good rates and were very competitive.

I am professional and polite and if a customer
does not want to be called, I put them on a
'do not call list'. I am honest and have never had
a complaint.

I need this job. I work full time here and support
myself and my wife. I need a sit down job I
hurt my ankle and can't stand on it long hours.
I especially need this job.

If I lost my job here it would be very hard
on me I can't find a job just anywhere because
of my ankle and I have been here 3 years.
We are law abiding to all state and federal
rules.

Thank you Hubert Drake
