Re: Docket No. MB-02-235

Dear Mr. Chairman:

I am writing this letter in regards to the Commission’s review of the proposed merger between Univision Communications Inc. and the Hispanic Broadcasting Corporation (HBC). As a member of the Hispanic community, I believe that this merger can create a media organization better poised to serve our community.

I have worked for several years with the local Univision affiliate, (KUVN, Channel 23, Dallas, Texas). Univision has been very supportive of any efforts to further relationships and understanding of the importance of education, culture, and health issues in the community. I believe the combined efforts of Univision and HBC can help the Hispanic community continue its development here and in the USA in general.

They support Hispanics professionals on their staff and work with me at various schools programs and community centers to promote community involvement. The staff are role models to many of the children in our community.

By combining the ownership and processes for community outreach and communication, I believe the community will benefit from increased capabilities of Univision and HBC.

Please support this merger request.

Sincerely,

Dulce Isalguez Parker
Executive Director
