

The public needs and deserves better representation in all media areas. Do not allow further control of the media by the present owners. I listen to points of view I don't agree with but why doesn't the media allow my point of view to be equally served? Diversity is a democracy's strength.

The ownership by a small few of the major sources of news is making our free country more like a dictatorship every day. You have the power to prevent our further loss of freedom in this era of the media giants.
