

I am very concerned about any further loosening of FCC regulations that would allow large media companies to grow even larger. This is not in the public interest. We need diversity of opinion in this country, not further concentration of media ownership.

Further consolidation of ownership dilutes the diversity of opinion that is vital to the strength of our Republic.

I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules

Sincerely,

John Johnson
