

I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.

I personally have to wonder, who is going to profit from deregulating the media, besides the media owners who will then own huge monopolies. There must be some reason the FCC is willing to give up the people's first amendment.

Sincerely,
Mary Russo
