

I am appalled at the apparent conflict of interest between the FCC (whose mission it is to protect the public airwaves on behalf of the American Public) and the Communications Industry titans (who want favors from the FCC). Retain your independence as true watchguards. Don't be bought off.

I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, vote to retain the current ownership rules.
