

I am deeply concerned with the proposed changes at the FCC. I do not trust media corporations to represent my best interests when it comes to the news and information I receive. Therefore, I depend on the FCC to regulate and keep these corporations from gaining a monopolistic stranglehold on this industry.

I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.
