Re: Oral *Ex Parte* Presentation
CC Docket No. 02-33, 95-20 98-10

Dear Ms. Dortch,

On May 21, 2003, Steven Teplitz, Vice President and Associate General Counsel, AOL Time Warner Inc. ("AOL"), Donna Lampert and the undersigned, both of Lampert & O'Connor, P.C., met with Chris Libertelli, Legal Advisor to Chairman Powell, regarding the above-referenced proceedings.

In the meeting, we discussed efforts to streamline the *Computer Inquiry* precedent and reduce current BOC regulatory requirements. We referenced the "Proposal to Streamline Title II Regulation of BOC Advanced Services to Promote Diverse Information Services" provided in our May 1, 2003 *ex parte* letter filed in these dockets. We emphasized the importance of maintaining the core principles of the *Computer Inquiry* requirements including nondiscrimination, transparency, access to new services and enforcement.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, two copies of this letter are being provided to you for inclusion in the public record of each of the above-captioned proceedings. Should you have any questions, please do not hesitate to contact me.

Sincerely,

Linda L. Kent
Counsel for AOL Time Warner Inc.
