**Re: Network Compatibility with Teletypewriters ("TTY")
 CC Docket No. 94-102**

Dear Ms. Dortch:

On behalf of Cascade Wireless, LLC ("Cascade"), we hereby report that Cascade is compliant with Section 20.18(c) of the Commission's rules, which requires that digital wireless carriers be capable of transmitting 911 calls from individuals using TTYs.

On July 1, 2002, Cascade submitted a limited waiver of Section 20.18(c) with respect to its GSM markets until September 30, 2002, and subsequently became TTY compliant prior to September 30, 2002.

If there are any questions regarding this submission please contact the undersigned.

Very truly yours,

Todd Slamowitz
