ORDER

Issued: April 23, 2003

Released: April 24, 2003

IT IS ORDERED that on or before **April 30, 2003**, Peninsula Communications, Inc. (PCI) shall file and serve a Status Report on Licenses¹ which shall contain, at a minimum:

- (1) A list of all FM translator stations and all full-power station (FM/AM) licensed to PCI at the start of this proceeding in February 2002.
- (2) The current status of each station listed.
- (3) The projected assignment or termination of any FM translator station.

¹ Mr. David Becker must certify that the Status Report on Licensing is true and accurate.

The Status Report on Licensing is required at this time to assure that the record reflects an accurate accounting of all licenses at issue in this case.² Therefore, licenses that are terminated shall be identified as "terminated," and licenses for which assignment applications are pending shall be so identified (including identity of any related denial requests). Licenses that have not been terminated and that are not subject to a requested assignment shall be separately identified.

PCI should also include the status of payment of forfeiture (\$140,000).

The Bureau may file Comment by **May 5, 2003**.³

SO ORDERED.
