Re: ***Notice of Ex Parte Presentation***, Review of the Spectrum Sharing Plan Among Non-Geostationary Satellite Orbit Mobile Satellite Service Systems in the 1.6/2.4 GHz Bands, IB Docket No. 02-364.

Dear Ms. Dortch:

On July 22, 2003, Gino Picasso, Ty Brown, and Pat Mahoney of Iridium Satellite, LLC ("Iridium") and Jennifer Hindin and I, of Wiley Rein & Fielding LLP, as counsel for Iridium, met with Commissioner Adelstein and his Legal Advisor, Barry Ohlson, to discuss the rebalancing of the current Big LEO spectrum band plan. In the meeting, Iridium reviewed the points it made in the comments it filed with the Commission on July 11, 2003 in the above-referenced proceeding. Iridium also distributed the attached documents.

This letter is being filed electronically for inclusion in the above-noted docket pursuant to Section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. §1.1206(b)(2). Please feel free to contact me if you have any questions regarding this matter. Thank you.

Sincerely,

*/s/ R. Michael Senkowski*
