Federal Communications Commission

Dear Commissioner Martin:

Thank you for meeting with me regarding the Federal Communications Commission's proposed "Do Not Call" rule.

As the date for voting on the proposed rule approaches, I would like to emphasize one last time the importance of including a clear statement of non-preemption in the FCC rule. Such a statement will serve the two-fold purpose of preserving more comprehensive state laws and provide a consistent message with the Federal Trade Commission and their "Do Not Call" proposal.

I appreciate your willingness to listen to our concerns.

Sincerely,

Stephen Carter  
Attorney General
