**NOTICE OF PROPOSED RULE MAKING**

By the Assistant Chief, Audio Division:

1. The Audio Division has before it a petition for rule making filed by Educational Media Foundation ("Petitioner"), licensee of Station WKVW(FM) ("WKVW"), Channel 227A, Montgomery, West Virginia. Petitioner seeks to amend the FM Table of Allotments by changing Station WKVW's community of license from Montgomery to Marmet, West Virginia, and providing Marmet with its first local aural transmission service. Petitioner states that if the Commission grants its petition for rule making, petitioner will file an application to permit operation of the station on Channel 227A as a Marmet station.

2. Petitioner seeks to invoke the provisions of Section 1.420(i) of the Commission's rules which permits the modification of a station's authorization to specify a new community of license without affording other interested parties an opportunity to file competing expressions of interest.<sup>1</sup> In support of its proposal, Petitioner explains that the proposed use of Channel 227A at Marmet is mutually exclusive with Station WKVW's existing authorization at Montgomery.

3. Petitioner asserts that the adoption of its proposal will result in a preferential arrangement of allotments consistent with the *Revision of FM Assignment Policies and Procedures*,<sup>2</sup> by providing Marmet West Virginia (2000 U.S. Census population of 1,693), with its first local aural transmission service. The allotment of Channel 227A to Marmet would not deprive Montgomery of its sole local transmission outlet, because Montgomery will retain local service from Station WMON (AM).

4. Although Marmet is located outside of any urbanized area, Station WKVW would continue to place a 70 dBu contour over 10.5 percent of the Charleston, West Virginia Urbanized Area. In these circumstances, Petitioner will not need to submit a showing of Marmet's independence from the Charleston

<sup>1</sup> See *Modification of FM and TV Authorizations to Specify a New Community of License*, 4 FCC Rcd 4870 (1989), recon. granted in part, 5 FCC Rcd 7094 (1990).

<sup>2</sup> *Revision of FM Assignment Policies and Procedures*, 90 FCC 2d 88 (1982). The allotment priorities are: (1) first full-time aural service; (2) second full-time aural service; (3) first local service and (4) other public interest matters [co-equal weight is given to priorities (2) and (3)].

Urbanized Area in order to demonstrate its entitlement to consideration as a first local service.<sup>3</sup> We believe that Petitioner's proposal warrants consideration since the allotment of Channel 227A to Marmet, West Virginia, could provide a first local aural transmission service to Marmet.

5. Since the transmitter site for Station WKVW will not be relocated to accommodate Petitioner's request to reallocate Channel 227A from Montgomery to Marmet, no gain and loss areas will be created. Since Petitioner's reallocation request is consistent with the provisions of Section 1.420(i) of the Commission's Rules, we shall propose to modify the authorization of Station WKVW without entertaining competing expressions of interest in the use of Channel 227A at Marmet, West Virginia, or requiring Petitioner to demonstrate the availability of an additional equivalent channel for use by other parties.

6. Consistent with the technical requirements of the Commission's Rules, Channel 227A can be allotted to Marmet, West Virginia, at Petitioner's existing site, utilizing coordinates 38-13-09 NL and 81-25-05 WL, with a site restriction of 13.4 kilometers (8.3 miles) east of Marmet.

7. Accordingly, we seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the communities listed below, as follows:

Channel Nos.

<u>City</u>	<u>Present</u>	<u>Proposed</u>
Marmet, West Virginia	-----	227A
Montgomery, West Virginia	227A	-----

8. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

9. Pursuant to Sections 1.415 and 1.419 of the Commission's Rules, interested parties may file comments on or before September 5, 2003, and reply comments on or before September 22, 2003, and are advised to read the Appendix for the proper procedures.
