ERRATUM

Released: July 11, 2003

By the Chief, Media Bureau

1. The *Report and Order and Notice of Proposed Rulemaking* in the above-captioned proceeding released on July 2, 2003, FCC 03-127 has been corrected as indicated in this Erratum. The corrected version will be published in the Federal Register and the FCC Record. In addition, the corrected version has been posted on the Commission’s website.

2. Footnote numbering and cross-references were corrected to resolve errors resulting from computer format problems, which had caused some cross references to be off by between one and three footnote numbers. In addition, typographical errors were corrected.

3. In paragraph 464, the last sentence is revised by changing the phrase “small markets” to “small to medium markets.” The sentence now reads as follows: “The potential for rapid concentration that may result from a combination of a newspaper with a television duopoly in markets with between four and eight licensed television stations (“small to medium markets”) leads us to conclude that it would be prudent, in these markets, to impose additional local ownership restrictions as part of our CML.”

Federal Communications Commission

4. This action is taken pursuant to authority delegated by Section 0.291 of the Commission's Rules, 47 C.F.R. § 0.291.
