Re: EB docket No. 03-152, William L. Zawila et. al.

Dear Ms. Dortch:

Regarding the above-referenced matter, I can tell you that the investigators are right-on, and there is more.

Please pass on to the appropriate authorities that the same fraudulent behavior on the part of Mr. Zawila has been conducted in connection to KNAC (FM), an unbuilt construction permit:

1. Falsely creating a non-profit entity (Earlimart Educational Foundation) in order to avoid FCC filing fees
2. Falsely citing availability of a tower site
3. Falsely reporting that the station had been constructed
4. Falsely representing true parties of interest in the permittee
5. Falsely reporting that the station had been taken silent for various reasons

Zawila is a very bad actor and due to his legal status has intimidated most people who have first-hand knowledge of this action into staying silent. He has cost many people much money by representing to them that he has stations for sale when all he wants to do is play the part and act important.

I must remain anonymous out of fear of retaliation, but please add this station to your list of incidences.

Best of luck, it's about time.
