**Re: Notice of *Ex Parte* Presentation in CC Docket No. 95-116**

Dear Ms. Dortch:

Yesterday, S. Mark Tuller, John T. Scott and the undersigned from Verizon Wireless met with Commissioner Copps and Paul Margie of Commissioner Copps' Office to discuss wireless local number portability. Specifically, we urged the Commissioner to support the Wireless Bureau's interpretation of the Commission's rules prohibiting carriers from imposing barriers on the number porting process. We explained the urgent need for the Commission to confirm the Bureau's "no barriers to porting" determination so that carriers will have time to achieve workable porting agreements before the November 2003 implementation deadline.

Please contact the undersigned with any questions.

Respectfully submitted,

  
Anne E. Hoskins
