**ERRATUM**

**Released: August 27, 2003**

This Erratum corrects the Report and Order in the above-captioned proceeding, FCC 03-168, which was released on August 14, 2003. These corrections have been made prior to the printing of the FCC Record and thus the Record will be published correctly.

- 1 Paragraph 101 is revised to read as follows: *IT IS ORDERED* that, pursuant to the authority of sections 1, 4(i), 7, 10, 201, 202, 208, 214, 301, 303, 308, 309(j), 310, and 710 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 151, 154(i), 157, 160, 201, 202, 208, 214, 301, 303, 308, 309(j), 310, and 610, the rule changes specified in Appendix C are adopted.
- 2 In Paragraph 15 of Appendix B, the Final Regulatory Flexibility Act, the sentence is revised to read as follows: "Pursuant to 5 U.S.C. § 553(d), [footnote omitted] the rules adopted herein shall take effect sixty (60) days after publication in the Federal Register."
- 3 Appendix C, Amendments to Section 20.19(e), are revised to read as follows:

**(e) *De minimis exception.***

**(1) Manufacturers or mobile service providers that offer two or fewer digital wireless handsets in the U.S. are exempt from the requirements of this section. For mobile service providers that obtain handsets only from manufacturers that offer two or fewer digital wireless phone models in the U.S., the service provider would likewise be exempt from the requirements of this section.**

**(2) Manufacturers or mobile service providers that offer three digital wireless handset models, must make at least one compliant phone model in two years. Mobile service providers that obtain handsets only from manufacturers that offer three digital wireless phone models in the U.S. would be required to offer at least one compliant handset model.**
