Re Revision of the Commission's Rules to Ensure Compatibility with Enhanced 911
Emergency Calling Systems, CC Docket No. 94-102; Petition For Forbearance
From E911 Accuracy Standards Imposed On Tier III Carriers, WT Docket No.
02-377

Dear Ms. Dortch:

Michael Amarosa, Philip Verveer, and I, on behalf of TruePosition, Inc., met yesterday with Paul Margie, legal advisor to Commissioner Copps. We discussed TruePosition's efforts to supply a network-based solution, compliant with the Commission's E911 requirements, to wireless carriers that serve rural areas. We also discussed the Tier III Coalition's petition, indicating that its proposals appeared to be a sound initial approach to the issues raised by rural carriers.

In accordance with the Commission's rules, I am submitting two copies of this letter.

Sincerely,

David M. Don

cc. Paul Margie
