RE WT Docket No 99-87/RM-9332

Dear Ms. Dortch:

On behalf of **Illinois Valley Community Hospital**, I would like to express my support for the petition for reconsideration filed by the Association of Public-Safety Communications Officials (APCO) and other public safety organizations in the above-referenced proceeding regarding mandatory migration to narrowband operations on land mobile radio systems in the VHF High Band (150-170 MHz) and UHF (421-512 MHz) frequencies.

As Emergency Room Nurse Manager at **Illinois Valley Community Hospital**, I support the enhancement of the hospital emergency radio system.

Respectfully submitted,

James Kozak, RN
Emergency Room Nurse Manager
