

Hello. My Name Is Suzanne & Me & My Mother Are Both Listed on The "Do Not Call" List. I saw that as Off 5:30 PM,EST, That The Higher Courts Are going to go through with The Do Not Call List afterall. (I recieved a Message via Email alerting me of the Courts Ok...via MSNBC & their Web Site.) Yet, As I am typing this email to You, both my mother & I have been recieving Non Stop Calls from Telemarketers. Like I stated before, We Are Both listed On the "Do Not Call" List. We Do Not apprecaite having people Call while Invading our Privacy, & trying to get Us to Buy their idems, or saying that "We Won A Car." (Which is nothing More than a ploy to Get Us to Buy crap from these Stupid & very irritating Calls. I personally Want No More Phone calls from Any telemarketers. Please Add me, Suzanne Nicolle Gavette & My Mother, (Judith Ann Gavette)To your "Do Not Call" Lists! Thankyou! P.S. I have been telling Those telemarketers that Have been calling That I was going to Email you. Telemarketers Cause Me & My Family Hell! Please Make Sure That These Calls STOP! Thankyou!
