

Hello. My Name Is Judy & Me & My Daughter Are Both Listed on The "Do Not Call" List. I saw that as Off 5:30 PM, EST, The Higher Courts Are going to go through with The Do Not Call List afterall. ( Thank God! ) (I just recieved a Message via Email, alerting me of the Courts dicision via MSNBC & their Web Site.) Yet, As I am typing this email message to You, both my daughter & I have been recieving Non Stop Calls from Telemarketers. Like I have stated before, We Are Both listed On the "Do Not Call" List. We Do Not apprecaite having people Call us while Invading our personal Privacy rights by trying to get Us to Buy their products & idems, or saying that "We Won A Car." (Which is nothing More than a ploy to Get Us to Buy these idems from them. This gets to be very irritating. I personally Want No More Phone calls from Any telemarketers. Please Add me, Judith Ann Gavette & My Daughter, (Suzanne Nicolle Gavette) to your "Do Not Call" Lists! (Again, as I have stated before, We are Both Listed on The "Do Not Call" list!) Thankyou! P.S. My daughter & I, both have been telling Those telemarketers that Have been calling That I was going to Email your FCC Site to alert You of The Problem. Telemarketers Cause Me & My Family Hell & Frnkly, We WANT THE CALLS TO STOP!! Please Make Sure That These Calls Do STOP! We have a Right to Peace & Quiet! Thankyou!
