**Re: Notification of *Ex Parte* Communication
MB Docket No. 02-230**

Dear Ms. Dortch:

This is to advise you, in accordance with Section 1.1206 of the FCC's rules, that I had a telephone call this afternoon with Paul Gallant, advisor to Commissioner Michael C. Powell.

The discussion involved the Notice of Proposed Rulemaking, released on August 9, 2002 in the above-referenced docket and many of the questions noted therein. Among the specific items under discussion were TiVo's concerns about certification and robustness requirements associated with a broadcast flag approach proposed by the Motion Picture Association of America and the 5C companies.

As required by section 1.1206 of the Commission's Rules, 47 C.F.R. Section 1206, one copy of this letter is being filed electronically in the above-referenced docket. Please direct any questions concerning this matter to the undersigned.

Respectfully submitted,

Matthew P. Zinn
