PETITION FOR RULE MAKING

Pursuant to 47 C F R 1 401, Katherine Pyeatt respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 259A at Kingston, Oklahoma

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 259A to Kingston, Oklahoma as that community's first local service Kingston, Oklahoma is an incorporated city with a population of 1,390 people.<sup>1</sup> Kingston has its own mayor, its own post office and zip code, 73439, its own fire department, police department, Chief

of Police John Canoe, city offices, library and a number of local churches  
Kingston is a community that is certainly deserving of a local service. The  
proposed channel 259A will provide additional diversity and an outlet for  
local self-expression to Kingston residents and therefore is in the public  
interest

Attached hereto is a channel study confirming that Channel 259A can  
be allocated to Kingston, Oklahoma consistent with the FCC's FM  
separation rules See revision of FM Assignment Policies and Procedures,  
90 FCC 2d 88 (1992) (See, Attachment A) Note Channel 259C3 at  
Tishomingo, Oklahoma was deleted on 9/16/03 (See, Attachment B, Daily  
Releases dated 9/22/03)

Reference coordinates for Kingston, Oklahoma are.

Kingston, Oklahoma Petitioner will apply for Channel 259A at Kingston and  
after it is authorized, will promptly construct the new facility

The factual information provided in this Petition for Rule Making is  
correct and true to the best of my knowledge
