RE: CC Dockets No. 99-200 and 95-116

Dear Ms. Dortch:

Sprint Corporation (Sprint) files this notice of *ex parte* regarding the dockets listed above. On October 29, 2003, Hoke Knox of Sprint met, via telephone, with Cheryl Callahan of the Wireline Competition Bureau's Telephone Access Policy Division. The comments made by Sprint during this call were consistent with previously filed comments and *ex parte* letters. Specific discussion items included confirming Sprint's position regarding porting wireline numbers to a wireless carrier and wireless numbers porting back to Sprint, re-iterating that direct interconnection is not required to port numbers, and re-stating Sprint's readiness to perform required porting tasks.

Respectfully submitted,

Jeff Lindsey
