Enclosed are the original and four copies of the Appeal. An extra copy is also enclosed.  
Please time stamp the extra copy and return it to me in the enclosed self addressed-

(1) **Funding Commitment Decision Letter Appealed**

Form 471 Application Number:	339584
Funding Year 2003.	07/01/2003-06/30/2004
Billed Entity Number:	126661
Date of Funding Denial Notice:	September 9, 2003
Date of Appeal:	October 22, 2003

(3) **Funding Request Numbers Appealed**

FRN -983934

(4) **SLD's Reason for Funding Denial of FRN 983934**

The SLD stated that funding is denied because:

“30% or more of this FRN includes a request for Unsubstantiated Local Service charges which are ineligible per program rules.”

(5) **The “30% rule” was incorrectly applied by the SLD.**

- a) The Monroe County School District (Monroe) prepared and timely filed a FCC Form 471 for telecommunications service with Verizon-West Virginia, Inc. as the vendor. The service had an “estimated” monthly charge of \$1,170.05 with estimated annual recurring charges of \$14,040.60, and annual eligible non-recurring charges of \$400.00.
- b) **Exhibit A** is the “billing” that Monroe submitted to the SLD.
- c) While the District’s request for funding was based on anticipated (estimated) telecommunications usage, Monroe’s expenses should have been reduced rather than denied.
- d) The FCC’s 30% rule provides, *in relevant part*, “[if ] 30% or more of the dollar amount of the request in Form 471 Block 5 Item 23K is for ineligible services (including services for ineligible entities or uses), the PIA team will deny the entire Block 5 funding request, even if eligible components are part of the request. If less than 30% of the dollar amount of the request in Form 471 Block 5 Item 23K is for ineligible services, the PIA team will reduce the request by the cost of the ineligible components, and the Funding Commitment Decision Letter will cite the ineligible services for which funds were not committed. If the request is reduced, applicants and service providers must ensure that the SLD is not invoiced for the ineligible items. [Emphasis added.] **Here, there are no ineligible expenses included in Monroe’s USF request.**

e) Based on the 30% rule and the attached exhibits, there is no factual basis for the denial.

**Conclusion:**

**Monroe is Requesting the Following Action by the FCC:**

**(a) Within 90 days or less Order funding for the telecommunications services requested in the 471 Application, specifically FRN 983934**

**(a) Set aside funds to totally fund Monroe's request.**

Respectfully submitted,

Nathaniel Hawthorne

**Important News Regarding Wireless Calls**

Recent changes in federal regulation have given rise to changes in billing arrangements between Verizon and some wireless phone service providers. Therefore, depending on the wireless number you are calling, you may incur regional toll or local message charges for calls made to wireless phone numbers. These charges were previously paid for by the wireless provider. These changes are ongoing and will be completed by October 2003. You may also need to dial a prefix ("1" or "1" plus the area code). If you have any questions, please call the Bill Information telephone number on your bill.

**For Your Information**

**Changes in Federal Charges Beginning April, 2003**

Effective April 1, 2003, an FCC-required change altered the way Verizon collects the Federal Universal Service Fund (FUSF) Surcharge. As a result you may see a change in the FUSF charge on your bill.

**Important News Regarding Wireless Calls**

Recent changes in federal regulation have given rise to changes in billing arrangements between Verizon and some wireless phone service providers. Therefore, depending on the wireless number you are calling, you may incur regional toll or local message charges for calls made to wireless phone numbers. These charges were previously paid for by the wireless provider. These changes are ongoing and will be completed by October 2003. You may also need to dial a prefix ("1" or "1" plus the area code). If you have any questions, please call the Bill Information telephone number on your bill.
