Dear Mr. Coon:

Since you have canceled your membership with USTA, we can no longer provide member services to your company. You had previously named USTA as your District of Columbia designated agent for service of Federal Communications Commission notices. Since USTA acts as FCC agent only for its small company members that request our assistance, you must designate another agent. Please be advised that as of November 26, 2003, USTA will no longer act as your District of Columbia agent. Enclosed is a copy of the discontinuation notice that has been sent to the FCC. If you have any questions about USTA's discontinuation as your service agent, please contact me at (202)326-7274.

Enclosed is a copy of FCC Rule 1.47(h) which describes your obligation to designate a FCC service agent in the District of Columbia.

Yours truly,

/s/
