Re: Revision of the Commission's Rules To Ensure Compatibility with Enhanced 911 Emergency Calling Systems; E911 Compliance Deadlines for Non-Nationwide Tier III CMRS Carriers; CC Docket No. 94-102; Supplement to Wireless Communications Venture Petition for Waiver of Section 20.18(g) of the Commission's Rules

REQUEST TO DEFER ACTION

Dear Ms. Dortch:

On behalf of Wireless Communications Venture ("WCV"), this letter advises the Federal Communications Commission of WCV's intention to supplement its above-referenced waiver request filed with the Commission on August 28, 2003. The *Stay Order* issued by the Commission on October 10, 2003 requests that carriers with pending Phase II E911 waiver requests who wish to supplement those requests do so no later than November 10, 2003.¹ The *Stay Order* recommends that carriers provide the Commission with extensive documentation in support of their pending requests. WCV is in the process of obtaining the requested documentation and intends to supplement its waiver filing as soon as possible. Accordingly, WCV respectfully requests that the Commission not act on its pending waiver request until after the supplemental information has been submitted and reviewed.

Should the Commission have any questions with respect to this matter, please communicate directly with the undersigned.

Sincerely,

_____/s/_____
Michael R. Bennet
