**Re: *In the Matter of Federal-State Joint Conference on Accounting
(WC Docket No. 02-269)***

Dear Chairman Powell:

The National Association of Regulatory Utility Commissioners (NARUC) appreciates the FCC's September 5, 2002 Order granting our request to convene a Federal State Joint Conference on Accounting issues.

Commissioner Nancy Brockway, one of NARUC's appointee's to this Joint Conference, recently left regulation to pursue other interests. This results in a vacancy on this Conference. To fill her vacancy, we respectfully nominate the Honorable Brian Moline with the Kansas Corporation Commission. His contact information is as follows:

For your convenience, I have attached a short biographical sketch of Commissioner Boyle. I have also e-mailed copies of this letter to Commissioner Martin, the current FCC Chair of the Joint Conference, Sam Feder, Christopher Libertelli, and Wireline Competition Bureau Chief Bill Maher.
