Re: **Notification of *Ex Parte* Communication**
CS Docket No. 98-120

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the FCC rules, this letter reports that on November 12, 2003, the undersigned met with Commissioner Jonathan S. Adelstein and Johanna Mikes Shelton, the Commissioner's Advisor for Media Issues, to discuss the issue of digital multicast must-carry for television stations. In the meeting, I noted that adoption of rules that require such carriage would result in a plethora of new minority, religious, local news and sports, and other programming and, as a result, would have a positive effect on diversity, localism, and competition in local television markets. I also noted that, with the advent of compression technology, digital multicast must-carry will result in cable systems devoting less bandwidth to digital signals than they have traditionally devoted to analog television signals. The record strongly supports requiring digital multicast must-carry, and the Commission should act promptly to do so.

As required by section 1.1206(b), two copies of this letter are being submitted.

Very truly yours,

Lowell W. Paxson,
Chairman

cc The Honorable Jonathan S. Adelstein
Johanna Mikes Shelton, Esquire
