

Blast fax removal. I have used the phone number numerous times to remove my fax number and they keep sending me faxes and the number I call says my number has been removed....
The fax comes from Sentinel Media Group. Removal number is 866.648.2627. The fax is Investing for Success Newsletter no contact information.

I am now in the habit of calling as soon as I receive these and others and for about a week, I don't get any. Now it has started up again even though I have called all and asked to be removed.

I had registered my fax on the do not call list, but it is not in affect yet. My phone: 312.733.7520 fax: 312.733.7530
