RE: Petition For Reconsideration In IBOC Approval Docket (99-325)

Dear FCC Commissioners and Staff:

The following parties have asked to be listed as retroactive signatories of the multi-party Petition For Reconsideration in the FCC's IBOC approval Docket (99-325):

PAUL B. WALKER, JR. (On Air Personality)
1820 West Marks Road
Marks, Mississippi 38646
Radio Colchester@aol.com

THOMAS LAWLER
For WNJO-AM (a Part 15 AM station)
32 Clarksburg Road
Clarksburg, New Jersey 08510
pd@96wnjo.com

These retroactive signatures bring the total number of Petitioners to 42.

Our Reconsideration Petition was filed on October 25, 2002: almost 15 months ago. However, despite numerous subsequent complaints about interference from IBOC Digital Radio, and the admission of design flaws by the IBOC manufacturer, the Commission has not granted or rejected our Petition, nor addressed it in any way. We trust the Commission's silence will end soon.

Sincerely,

**Don Schellhardt, Esquire
