To Ensure Compatibility with Enhanced 911 )  
Emergency Calling Systems )

**CLARIFICATION OF PETITION OF ACS WIRELESS  
FOR EXTENSION OF WAIVER OF 47 C.F.R. § 20.18(c) REQUIREMENTS**

ACS Wireless, Inc. ("ACSW") hereby submits this clarification to its Petition For Extension of Waiver of 47 C.F.R. § 20.18(c), filed with the Federal Communications Commission on December 24, 2003 ("Petition"). On page 8 of the Petition, with regard to handset TTY solutions for its TDMA network, ACSW indicated that it could only use handsets manufactured by its switch vendor. However, TTY handsets manufactured by other vendors would be compatible with its TDMA network if used in conjunction with an upgrade to the TDMA network.

Respectfully submitted on this 20<sup>th</sup> day of January, 2004.

**ACS Wireless, Inc.**
