

What the hell is this stupid talk about Janet Jackson boobs?

WHO cares what wrong with it?

No one before seen bare tits?

Kids are clinching to it from birth!

Time that America get more civilised and STOP paying attention to it!

Why to give them so much FREE publicity ... they are waiting fore ?

If the MORONS wake up and stop paying attention it will be over

For such noise from FCC the FCC charmain shall be forced to RESIGN!

What wrong with America? No one seen teets before?

Show is OVER forget it and don't bother ... there was NOTHING indecent during teets show!

Who cares?

What this NOISE is about?

WASTE of time on such petty things!

It is better to investigate the queer shows were mental cases are being promoted as healthy style of life rather than be treated by psychiatrist!

It is time to disclose that HOMOSEXUALITY is a serious MENTAL illness and treat it rather than glorify it!

Hoomosexuality is a real INDECENT insulting behavior not a healthy show of some silly cons!

WHO CARES thart Jackson flashed her nipples?

when QUEERS are kissing each other FCC is not reacting, but when some one flashes her nipples it is a BIG deal!

What a HIPOCRYTICAL approach!

Go after QUEERSLAND in TV and get all those screwy QUEER shows of the AIR!

Leave Jackson alone as NOTHING happened and it is not worth to brag about!

People are borne with bare breasts and no one gives a damn!

So what for all that rant?

BaIL OUT AND FORGET IT!
