To whom it may concern,

On, or about July 2<sup>nd</sup> or 3<sup>rd</sup> 2003 I, Ron Meredith received a phone call from Lyle Reynolds, operations manager of Reynolds Technical Associates of Chelsea, Alabama Mr Reynolds told me he wanted to meet with me to discuss WXJB – FM Months earlier I had unsuccessfully attempted to negotiate the purchase of WXJB – FM Therefore I agreed to meet with Mr Reynolds

On, or about July 8<sup>th</sup> I went to Harrisons Restaurant on Hillvale Road in Clinton TN. Mr Reynolds phoned to say he was running a little late but should arrive soon. He arrived approximately 10 minutes after the 2pm meeting time we had set. He was driving a late model black Lincoln Navigator SUV

Lyle Reynolds introduced himself and we began to talk about WXJB. Mr Reynolds ask me if I would consider halting my petition to allocate 244a to Lake City TN in order to support a counter proposal his company intended to file to move WXJB to Knoxville TN in a community called Halls I told him I was determined to proceed with our proposal for Lake City Mr Reynolds indicated to me that he had a deal with Beulah and Brent Pursifull to buy WXJB for a great deal more than I had offered on the sole condition the station could be move from Harrogate TN to Knoxville I told Mr Reynolds that I did not believe Mrs Pursifull would allow someone to purchase WXJB and then delete the service her son had worked so hard to build (Warren Pursifull had recently passed away and his mother Beulah Pursifull was operating WXJB) Mr Reynolds assured me that she was ok with the arrangement, indicating it was because of the potential to get more money if he was successful in moving it to Knoxville

Mr Reynolds ask me “what it would take” for me to discontinue my pursuit of the Lake City allocation I told him that it would take a FM signal that would cover the Lake City area. I explained to him that the residents of the City of Lake City could not hear their children play basketball on the radio, nor could they hear their children play football, or any community news or any broadcast public service as no one provide or serviced Lake City TN Mr Reynolds ask me if I would consider joining him in his counter proposal if he could arrange for me to get WQLA in LaFollette, whose signal got into the Lake City area, and thus could provide some broadcast service to Lake City. I reminded him that WQLA was a LaFollette station, and that the owner of WQLA had told me that he did not want to sell.

Mr Reynolds then politely cautioned me that by joining him I could be part of a 4 or 5 million dollar property as that was what he thought it would be worth once moved to Knoxville, and that a Lake City licensed station would not be worth near as much. When I ask him why I should join into something that included him, his company, and the Pursifull family and would have to be split, he responded by saying it is better to have part of a big deal that all of a small one He also told me could not disclose who, but his company already had interest from a “major” broadcaster in the property if he was indeed able to move it to Knoxville

I finally told Mr Reynolds that the only way that I would consider stopping pursuit of the Lake City allocation would be if he, or someone offered to buy my small AM station in Clinton TN for a sizable investment, and thus I would retired from radio Mr Reynolds
