Sellers shall use their reasonable efforts to maintain such Contracts, Permits and Continuing N3 Nodes for the temporary benefit of Buyer (or its Permitted Assignee, if any) during a period (the “Transition Period”) ending no later than the later of (i) the date which is six (6) months after the Closing Date and (ii) June 30, 2004. Buyer shall

bear the out-of-pocket costs of maintaining any such contracts in existence from the Closing Date through the earlier of (x) the effective date of rejection of such contracts by order of the Bankruptcy Court which order shall be sought by Sellers within 5 Business days of Buyer informing Sellers in writing that Buyer will no longer require such temporary benefit or (y) the end of the Transition Period, including making funds available to Sellers in advance of any payments that may be due to the contracting party under such contracts, and including all associated out-of-pocket employee-related costs (including severance in the manner and as set forth in Section 9.1 hereof).”

8. Amendment of Schedule. Section 7.7 of the Asset Purchase Agreement is hereby amended and restated in its entirety to read as follows:

“At any time after the date of this Agreement, Buyer (or its Permitted Assignee, if any) shall have the right to amend or modify any schedule delivered under Section 1.1, Schedule 1.2(q), Schedule 1.2(b) or Schedule 6.11 (except with respect to any of the Contracts set forth on Schedule 7.7(a), which Contracts may not be rejected and may not be included on Schedule 1.2(b) and except with respect to those Contracts set forth on Schedule 7.7(b), which Contracts must be rejected and may not be removed from Schedule 1.2(b)) provided that (a) Buyer may only add Contracts to any schedule prior to March 22, 2004, and (b) no Contract that shall have been previously on Schedule 1.2(b) and terminated by reason of a previous rejection election of Seller or a motion to reject pending before the Court may be removed from such Schedule without Sellers’ prior written consent. At any time prior to March 22, 2004, Sellers may remove any Contract set forth on Schedule 7.7(b) from such schedule.

- (i) In the event that Buyer (or its Permitted Assignee, if any) amends or modifies any schedule after the Auction pursuant to the terms of Section 7.7 hereof, Sellers shall prepare and deliver to Buyer, as promptly as practicable after the Closing, but no later than 60 days after the Closing Date, the calculation of the Net Amendment Amount, if any, using the formula set forth herein.
- (ii) If Buyer disagrees with Sellers’ calculation of the Net Amendment Amount delivered pursuant to Section 7.7(i), then Buyer may, within 20 days after delivery of Sellers’ calculation of the Net Amendment Amount, deliver a notice to Sellers stating Buyer’s disagreement with such calculation and setting forth Buyer’s calculation of the Net Amendment Amount. Any such notice of disagreement shall specify those items or amounts as to which Buyer disagrees. If Buyer does not deliver a notice of disagreement in accordance with this Section 7.7(ii), then the amount of the Net Amendment Amount shall thereupon be final and binding upon Buyer and Sellers, and shall not be subject to further judicial or other review.

- (iii) If a notice of disagreement is duly delivered pursuant to Section 7.7(ii), Buyer and Sellers shall, during the 20 days following such delivery, use their reasonable efforts to reach agreement on the disputed items or amounts in order to determine the amount of the Net Amendment Amount, which amount shall not be more than the amount thereof shown in Sellers' calculation delivered pursuant to Section 7.7(i), nor less than the amount thereof shown in Buyer's calculation delivered pursuant to Section 7.7(ii). If during such period, Buyer and Sellers are unable to reach such agreement, they shall promptly thereafter cause an internationally recognized accounting firm mutually agreed upon by the Buyer and the Sellers ("the Accounting Referee") to review the disputed items or amounts and to calculate the Net Amendment Amount (it being understood that in making such calculation, the Accounting Referee shall be functioning as an expert and not as an arbitrator). In making such calculation, the Accounting Referee shall consider only those items or amounts in Sellers' calculation of Net Amendment Amount as to which Buyer has disagreed pursuant to Section 7.7(ii). The Accounting Referee shall not require or consider witness or expert testimony or briefings of any nature. The Accounting Referee shall deliver to Buyer and Sellers, as promptly as practicable (but in any case no later than 30 days from the date of engagement of the Accounting Referee), a report setting forth such calculation. Such report shall be final and binding upon Buyer and Sellers, and shall not be subject to further judicial or other review. Sellers and Buyer shall be responsible for the fees and expenses of the Accounting Referee based on the percentage which the portion of the contested amount not awarded to each party bears to the amount actually contested by such party (e.g., if Sellers make a claim for \$1,000 and Buyer only contests \$500 of the amount claimed by Sellers, and if the Accounting Referee resolves the dispute by awarding Sellers \$300 of the \$500 contested, then the Accounting Referee's fees and expenses shall be allocated 60% to Sellers and 40% to Buyer).
- (iv) Buyer shall pay to Sellers the Net Amendment Amount, if any, in cash within ten (10) days following its final and binding determination in accordance with this Section 7.7, by wire transfer of immediately available funds to an account designated by Sellers. The obligation to pay the Net Amendment Amount shall not be subject to offset or counterclaim."
