RE: International Settlements Policy Reform (IB Docket No. 02-324)
International Settlement Rates (IB Docket No. 96-261)

Dear Ms. Dortch:

On Friday, February 20, 2004, I discussed the above-referenced proceedings with Bryan Tramont of Chairman Powell's office.

During this discussion, I briefly reviewed AT&T's positions in these dockets. I highlighted the importance of the Commission taking steps to restrain foreign mobile termination rates, including proposing new benchmark rates for mobile traffic. This action would help lower these charges that are rapidly reversing progress toward the Commission's policy of cost-based rates.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in black ink, appearing to read "D. W. Schoenberger".
